Technology

High Tech

Wireless Internet

Just because you're staying at a secluded private retreat doesn't mean you shouldn't be able to access the outside world. That is, if you want to.

Telephone

Keep in touch when you want, or just when you need to.

Television

You don't have to miss a beat, and with satellite cable you won't have to.

Stereo Entertainment System

Pour a cocktail, crank your favorite tunes, and smile. At RNF, we recommend country all the way, but you can do what you please.

• • • O • • •

Low Tech

Board Games

Monopoly, chess, Checkers, Backgammon, and more.

Bird Watching

It's fun, it's easy, it's relaxing, and we've got your binoculars covered.

Reading

We offer variety of unique and informative books at The Museum for your reading pleasure. Don't forget to bring your own personal favorites too.

Relaxation
